Achieve High-Performance Milling Across All
Materials with Octomill™ 06

One pocket. Three insert types.

The Octomill™ 06 multi-insert pocket design can handle three different insert types to meet different application demands.

Outperforming existing octagonal systems

Octomill™ 06 adds edge strength and robustness while overcoming the weaknesses of single-sided solutions.

Easy and secure handling

Improved self-centering and secure positioning of the insert. Plus, you can index the insert without having to remove the screw.

*No minimum inserts or other purchase required to secure promotional pricing. Discount only applies to Seco Octomill™ 06 cutter bodies. Limited time offer only available in US, Canada, and Mexico.

Promotion valid from August 1st, 2025 through October 31st, 2025.
